

# Seashells Class – Home learning for Autumn Term 1 – Dinosaurs

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Friday.

Good luck and have fun!

## English

### My pet dinosaur!

What if you had a dinosaur as a pet?  
What would you call it? What would you feed it? Where would you keep it?

## Art/DT

### Build a dinosaur!

Build your own version of your favourite dinosaur. You could use any craft supplies and decorate.

## English

### Dinosaur museum!

What would you find in a dinosaur museum? Can you write a list? You could draw some pictures too.

## Art/DT

### Mini dinosaur garden!

Build a mini dinosaur garden in a jar.

You could use this for inspiration:

<https://www.messylittlemonster.com/2020/04/dinosaur-garden-in-jar.html>

## Art

### Dinosaur play-dough footprints!

Can you make a dinosaur world? What dinosaurs will you have?

1. Encourage your child to roll out and flatten the play-dough so that they have a surface to work on.

2. Then print either dinosaur bones or footprints of into the play-dough.

## Science

### Dinosaur volcano!

1. Place a small cup in the centre of your tray or container.
2. Display some toy dinosaurs around the edges of this tray/container. Create a scenery of dinos who are eating and living happily.
3. Now, sprinkle some bicarbonate of soda onto your scene. Be sure to get a lot into your cup!
4. Mix a small amount of red food dye into some vinegar, and then get your child to help tip the vinegar into the bicarbonate of soda volcano. It will fizz up and spill over the edges, flowing down to meet the dinosaurs.
