Seashells Class – Home learning for Spring Term 1 – Treasures Beneath the Sea

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Friday.

Good luck and have fun!

| Art	Geography	Science
Paper bowl jellyfish!	**Underwater excursion!**	**Save our oceans!**
Have a go at crafting your very own jellyfish! You could use this website for inspiration:	Take a swim through some of the most beautiful waters from around the world. Make a list of what you see:	What can you find out about plastic pollution in our oceans? How is plastic affecting animals and fish? You could create a poster to help people understand what plastic pollution is!

English	**PE**	**Geography**
What plants grow in the ocean?	**Squish the fish yoga!**	**Wonderful world!**
Can you find out about what types of plants live in the oceans? Can you find any interesting facts? What is your favourite plant and why?	Have a go at doing some relaxing yoga! Feel free to video/take some photos…try not to wobble!	Create a world map and label all of the continents and oceans. What can you find out about each continent? What animals live there?
