

Home Learning Ideas – Autumn 1

Ask an adult, “What is your favourite invention and why?”

Create an idea for an invention.
Draw it on paper and then make it.

Draw the main character from your reading book.
Would you like to be friends with them?

Design a new type of car.

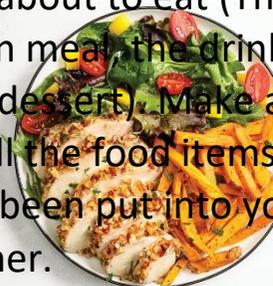

Find out how the bicycle has changed overtime.
Think how you are going to present what you have found out.

Leonardo Da Vinci was a famous artist (and inventor). He painted many portraits. Draw and colour a portrait of a family member.

Look at the dinner you are about to eat (The main meal, the drink and the dessert). Make a list of all the food items that has been put into your dinner.

Find out the cost of each piece of food. Add all the amounts together to find the total cost of your dinner.

Choose an instrument that can be found in a band or in an orchestra.
Explain how it is played.
