

Starfish Class – Home learning for Autumn Term 1 – Invent

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements Mondays, Tuesdays and Fridays. .

Good luck and have fun!

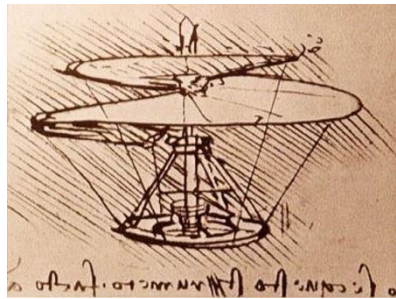

English

Ask an adult, “What is your favourite invention and why?” How could you present this?

Art/DT

Create an idea for an invention. Draw it and then make it. Remember, not all inventions are technology!

Art

Imagine you have been told to design and build a new type of car for the future. What materials will you use and why? What features are important? Will there be the same roads in the future as there are today?

History

Find out how the bicycle has changed overtime.

Think how you are going to present what you have found out.

Art

Leonardo Da Vinci was a famous artist (and inventor). He painted many portraits. Draw and colour a portrait of a family member.

History

Can you research the life of an inventor? How have they contributed to the world? Who is your favourite inventor and why?
