

Autumn Term 1

What is your favourite food containing chocolate?

Research how it is made and then either make it or write out a recipe.

Can you redesign the cover of the book 'Charlie and the Chocolate Factory'?

What would you write for the blurb to tell readers what the story is about?

Make a zig zag book or fact file about Fairtrade.

Explain how trade connections are made. Who benefits from Fairtrade? What shops sell their products?

[Guardians of the Rainforest - Fairtrade Schools](#)

Look at a selection of chocolate bars or other chocolate products in the supermarket.

Find out how much they weigh. Write down the items in order, from the lightest to the heaviest.

Collect a pebble or rock from your garden or the beach

Paint an image on it that would make someone smile!

Can you locate the main chocolate producing countries?

Mark them on a map. Can you add the capital cities, main rivers etc of these countries?

**Would you rather?**

Would you rather be a talented sportsperson or a talented musician? Why?

Research the Maya Civilisation and use your research to make a poster.

Mystery Home Learning Task:

Use your imagination and come up with an idea of your own.
