During WW2, Vera Lynn was a famous singer. She sang songs to help the people at war feel hopeful and good.

Find the lyrics (words) of one of her songs. Listen to it in the Internet. What was it about? What words do you think helped people?

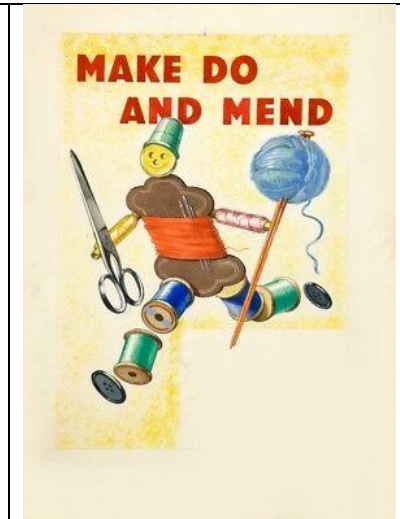

In Science, we are looking at every day materials. Look around your house. What are things made from? For example, windows are made from glass. Cookers are made from metal. Sofas are made from material. Draw pictures of things found in your house – show what they are made from and explain why they are made from that material. For example:

During WW2, there were many paintings made showing buildings on fire, life during WW2 and soldiers in battle.

Draw or paint your own picture showing something from WW2. You may need to find out a little more before making your picture.

Make a toy only using recycled materials.
