

Choices Home Learning: Is exploration a pointless activity?

THE ANTARCTIC

Research some information about the Antarctic.
What is the climate like?
What impact does this have on life?
Does anyone live there and why?

R.E.-HINDUISM

Find a Diwali recipe. Write it out with the correct amount of the ingredients. Try making it if you can. Send in a photo of you making the recipe or ask your family what it tasted like. Would you get through to the next round of Masterchef?

EXPLORERS

Who were some other Polar explorers? Who got there first? Do people explore the North Pole too? Write a report on one of them or create a Powerpoint presentation.

SCIENCE

What effect does freezing have on liquids and solids?
What about boiling (make sure an adult helps you).

ART

Can you create a piece of art work which is entitled 'The South Pole'? It could include any objects or scenery you like and could even be abstract art!

WRITING

Write a poem about exploration. Can you include some of the poetic devices we have learnt about? Similes, metaphors, alliteration, rhyme, rhythm, oxymoron, onomatopoeia, personification, imagery, repetition.
