

Seashells Class – Home learning for Summer term 1 – Yanomami Tribe!

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each on Thursday afternoons. Good luck and have fun!

Art

Following on from our printing activities last term, can you have a go at making your own wrapping paper using potatoes? Use this link to inspire you!

Can you make your own? What ingredients will you use? Can you write the recipe?

English/Art

If you could choose an animal from the rainforest, what would you be and why? What links do you have? Could you draw yourself in animal-form?

English

What five things would you have to have to live in a rainforest? Why? How will these help you to survive?

You could write this in a poem or a list of instructions.

D.T

What does a rainforest need to survive? Design and create a rainforest environment in a soft drinks bottle to discover the effect of temperature on the environment.
