

Identity

Key Questions: *Who are refugees and migrants? What makes people leave their homes? How do refugees and migrants travel? What happens when they arrive? What rights do refugees and migrants have? What is culture and how do we share it? What happens when we deliberately separate cultures and people? Does it matter how we use words? What would you do?*

Geography Locational

Knowledge: *Locate the world's countries to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.*
