

Minnows Home Learning

Every Friday we will send you the following week's learning plan as well as a little summary of our week in class.

Literacy

Find time to sit and share a book with someone in your family. If you have a reading pack, then read daily and ask an adult to record it on your reading sheet.

Useful websites to support our phonics are:

www.phonicsplay.co.uk
(free phonics games and resources)

Alphablocks - available on BBC iPlayer.

Practise writing at home eg letters, cards, shopping lists

Maths

Practice writing the numbers 1 to 10 (numbers to be written correctly!)

Learn the number bonds to 10
eg $5 + 5$, $6 + 4$

Talk about numbers 1 to 10 and what they know about each number.

Identify and describe 2D and 3D shapes around you.

Look for and talk about different patterns (eg. repeating patterns).

Useful websites:
www.topmarks.co.uk (free maths games)

Learning Journey - Field to fork

Can you design a farm? Use any media eg a drawing, construction, re-usable materials

Can you grow your own vegetable and keep a diary of its growth?
