

Seashells Class – Home learning for Summer term 2 – Take Flight!

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Thursday.

English

Can you make your own passport and boarding pass?

Where are you travelling to? Why?

Art/DT

Make a paper mache hot air balloon. Can you write the instructions?

English

Imagine you are a pilot on a helicopter. What will you see? Can you write a description using interesting adjectives? You could

write this as a diary or even a poem if you like.

You can watch this video for inspiration:

<https://www.youtube.com/watch?v=9JCu1pEMjUk>

English

If you were an astronaut travelling to space in a rocket, what 10 things will you need to pack?

Art

Can you make a collage to do with Take Flight? What flying object will you use?

Science

Rocket Mice! This activity involves shooting a rocket high into the air by rapidly squashing a plastic bottle launcher.

Here's a video with the resources and how to make it!: [Rocket mice activity - Science Museum Group Learning](#)
