

## Maths

We will be exploring and learning:

- Multiplication and Division
- Length and Perimeter
- Fractions

## Science

We will be exploring animals and humans, looking at what we need to make our bodies healthy, and link it with mummification. Do you know how the Ancient Egyptians mummified human bodies?

## English

- **Fiction** – The Egyptian Cinderella by Shirley Climo. We will be using comparative sentences, feeling words, action verbs, and develop thesaurus skills.
- **Non-fiction** – (links to science). We will create adverts and understand how to promote healthy habits.
- **Poetry** – we will be looking at various poems to express emotion by Michael Rosen.

## RE

We will be exploring the key events in Jesus' life. Why are these events so important? We will also look at Ancient Egyptian beliefs like mummification.

# Ancient Egypt

## Would you prefer to be a pharaoh or a peasant?

## PSHEE

- Living long, living strong
- Daring to be different

## PE

- Gymnastics
- Tag rugby
- Outdoor Adventurous Activities
- Dance

## Music

We will be listening to different genres of music and composing our own pieces.

## Art and Design

Hieroglyphics will be introduced and used as a basis for our printing unit, where we will make our own papyrus, using the Ancient Egyptian Hieroglyphic script.

## Computing

We will be learning how to use Microsoft programs effectively. Can we produce a report on Word about the discovery of Tutankhamun?

## ME Time

We will be exploring how we can use artefacts, photographs and recounts to find out about the past. We will look closely at where Egypt is, the importance of the Nile and its impact on the life of the ancient Egyptians.

## French

We will be developing accurate pronunciation, thinking of new ways to learn vocabulary, and extending our French sentences using conjunctions!
