The Headteacher, the bus, the minibus and the PE t-shirts

It's not quite as catchy as 'The boy, the mole, the fox and the horse', but it is just as exciting. As you will know from the Saturday blogs, we will soon be the proud owners of a bus. This is courtesy of Brighton & Hove Bus Company and some persistence from Chris McLelland (Damien and Riley's dad). My aim is for the bus to be used for a breakfast club, after school club and as an additional learning space at break time, lunch time and throughout the day. Watch this space.

We also have a minibus coming our way (wrapped in our school colour and logo).

This will enable us to take pupils off-site for sports events, trips and enrichment activities.

In September we will be giving every pupil a FREE purple PE t-shirt with the school's logo on the front. These will replace the existing coloured ones. We have a number of coloured t-shirts that are therefore surplus to requirement. If you would like to donate some money for a coloured t-shirt – please speak to the school office. Any remaining t-shirts will be donated to a charity and school in Africa.

Have a lovely half term break. See you on Monday 7th June.

Mr Vallier

Click, Bang, Wallop...what a picture

We have now transferred some photographs of the children onto canvases and are due to display them around the school. Hopefully you will get a chance to see these once we get the green light to allow parents back into the school building.

Keep On Running

Our year 6 pupils were superb in the recent Cross-Country event at Shoreham Academy and came first. Well done to you all. Thank you to Mrs Shukla who encouraged every pupil and to Mrs Ayres who even joined in and ran a couple of laps herself!!

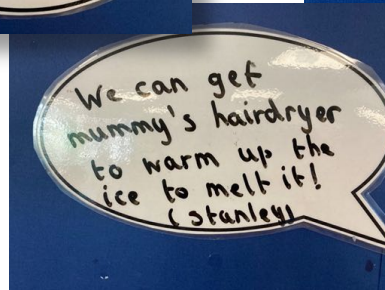

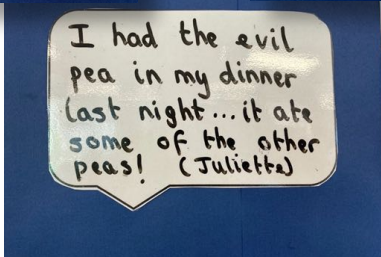

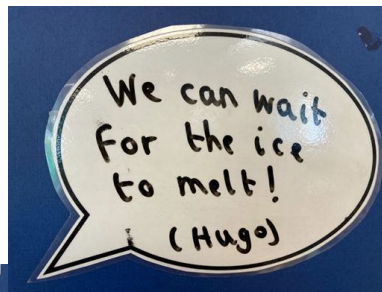

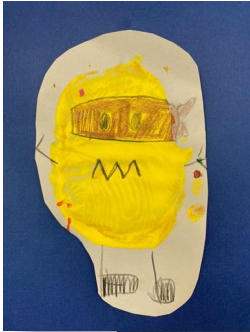

Curriculum

We continue to work on our new Concept Curriculum ready for September. To whet your appetite, please enjoy looking at the Summer 2 Learning Journey Overviews that have been sent home.

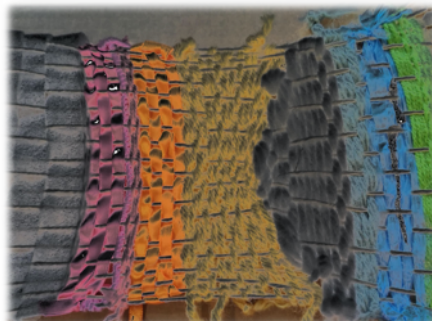

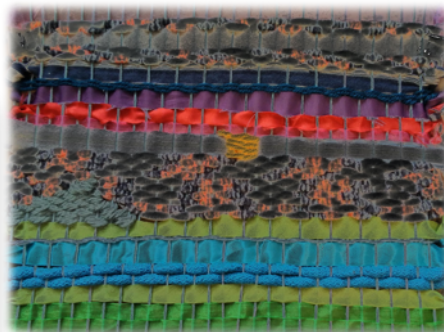

Supertato

Minnows have been looking at the book 'Supertato' and have been freezing vegetables and working out the best way to melt the ice.

Year 5 Weaving

Dear Prime Minister

Year 2 pupils have been writing to Boris Johnson about protecting our sea creatures with a special mention about saving Turtles.

Dear Prime Minister,

I'm very angry because your people are throwing rubbish in the sea. And just look what happened to the Archelon. It is extinct because littering, poaching, oil, overfishing and pathogens are killing them. Some people are even selling turtles for money. Please help us save the world we are depending on you!!!

From Hugo

Shoreham Beach Primary

Dear Prime Minister,

I am very angry turtles should live long, lovely lives and to do that we need to protect our Ocean. Do not use plastic bags use reusable ones. People are overfishing and that doesn't just make an effect on sea turtles it effects other sea creatures too. So, protect the sea creatures especially sea turtles because people hunt them and trade them. How would you like you be to hunted and traded?

Please can you help save the sea turtles

From Beatrix year 2

Dear Prime Minister,

I'm very concerned that humans are causing turtles to be endangered.

Did you know how many things that humans are doing like poaching and killing the turtles.

People are destroying the turtle's habitat and polluting the sea where the turtles live. People are throwing plastic bags away and then the bag goes in sea and it gets stuck in their tummy's.

Soon we will have NO turtles left!

We need to help the turtles please do whatever you can to help.

From

Yvie Shute

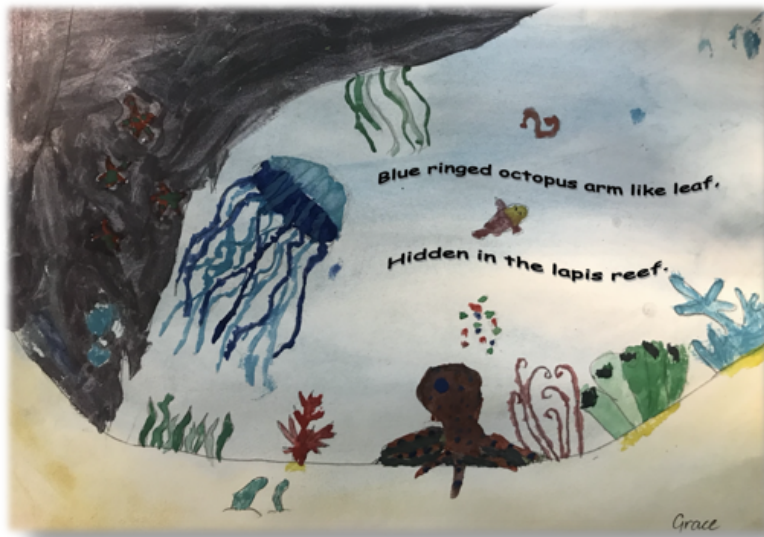

Dear Prime Minister

I'm very sad that turtles are almost extinct. Make sure the nets are small enough to catch fish not turtles. We need to stop throwing money in the sea because turtles can eat it and get something called bubble but. STOP THE POLLUTION IN THE OCEAN!

Please can you help save the turtles?

Match of the Day

Congratulations to the boys who came fourth in the locality schools football tournament a couple of weeks ago. This means you finished in the same position as Chelsea and deserve a place in Europe! A big thank you to Mrs Thomas, Mrs Bennett, Mr Strugnell, Miss Phillips and Mr Edwards who either coached or supported the boys at the tournament.

Wired For Sound

A massive thank you to Tom Dalton – one of the engineers from Ropetackle Arts Centre who kindly fixed our media centre in the hall.

Cleaner and Midday Meal Supervisor advert

Vacancies for a Midday Meals Supervisor and two School Cleaners at Shoreham Beach Primary School commencing September 2021

We are looking to appoint a Midday Meals Supervisor (MMS) to join our team. Our Supervisors work 12.00 – 1.00pm Monday to Friday term time only. Supervisors are responsible for the safe and efficient supervision of pupils during the lunch break, both in the school and on the playground. You will enjoy working with children, be able to work as an effective team member and be caring and enthusiastic.

We are also looking to appoint two School Cleaners to join our premises team. Working either 7.00 – 9.00am or 3.30 – 5.30pm Monday to Friday term time with extra days during school holidays by agreement.

The salary for these roles will be Grade 2 starting at £9.43 per hour.

We are committed to safeguarding and the welfare of the children and expect all staff to share this commitment. These posts are subject to satisfactory reference checks and Disclosure and Barring Service (DBS) clearance.

If you are interested in applying please email office@sbprimary.co.uk for an application form.

National Mental Health Awareness Week

Our dress down day raised £190.00 Thank you to everyone who supported it!
