

The background of the entire page is a photograph of a large amount of plastic waste, including many clear and colored plastic bottles, floating in water. The water is a murky blue-green color.

Choices

Key Questions:

Climate Change — Who Cares?

How do we know the climate is changing? What is the difference between climate and weather?

What is the deal with carbon? What is the impact of farming/deforestation? Who pays the price?

Concepts: climate, pollution, recycling, sustainability, economic growth, inequality, alternative energy

Key vocabulary: climate zones, biomes, water cycle, settlement, natural resources, evaporation, temperature
