

<p>EGYPT</p> <p>Research some information about Egypt. What is the climate like? What impact does this have on life? Where do most people live and why?</p> 	<p>DT</p> <p>Design some traps for the inside of a pyramid to deter thieves from stealing the treasures. Maybe you can build them out of lego, knex, meccano?</p> 	<p>EGYPTIAN TREASURES</p> <p>Who were some of the archaeologists searching in Egypt? Why did they look there? Whose tombs did they find? What was in them? Present your learning however you like.</p> 
<p>RE</p> <p>Find out about some of the Egyptian Gods. What did they represent? How were they worshipped and why? Can you draw one? Or make a model of one?</p> 	<p>ART</p> <p>Can you replicate a piece of ancient Egyptian art? Can you create your own hieroglyphic alphabet? Make a model of a pyramid or a death mask.</p> 	<p>WRITING</p> <p>Write a diary entry about the discovery of an ancient tomb filled with treasures. Or write a story about someone trying to outsmart the traps inside the tombs, put there to deter thieves.</p>
