

## Seashells Class – Home learning for Summer term 2 – Take Flight!

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Friday.

Good luck and have fun!

### English

Can you make your own passport and boarding pass?

Where are you travelling to? Why?

### Art/DT

Make a paper mache hot air balloon.

Can you write the instructions?

### English

Imagine you are a pilot on a helicopter. What will you see? Can you write a description using interesting adjectives? You could write this as a diary or

even a poem if you like.

You can watch this video for inspiration:

### English

If you were an astronaut travelling to space in a rocket, what 10 things will you need to pack?

### Art

Can you make a collage to do with Take Flight? What flying object will you use?

### Science

Rocket Mice! This activity involves shooting a rocket high into the air by rapidly squashing a plastic bottle launcher.

Here's a video with the resources and how to make it!:
