

Seashells Class – Home learning for Autumn Term 2 – Up, Up and Away!

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Friday.

Good luck and have fun!

Art/DT

Blast off!

Build your own rocket. What materials will you use? Why? Where will your rocket travel to?

DT

Space food

Have a go at making your very own space food. Can you write your own recipe? I wonder what food astronauts eat in space?

English

Moon rover

First create your own moon rover out of lego. Then write a list of instructions on how to build it. Can someone at home follow your instructions?

Art

My planet

Make your own planet. Who or what will live there? How will you take care of it?

Art/English

Constellations

Make your own constellation lamp using these instructions:

<https://craft.ideas2live4.com/2015/04/24/diy-constellation-jar-lamp/>

What is your favourite constellation? What can you find out about it?

Maths

To infinity!

Build your own space station using shapes. You could cut shapes out or even use shapes around your home. Can you make a list of what different shapes you've used? How many?
