

<p>THE ANTARCTIC</p> <p>Research some information about the Antarctic. What is the climate like? What impact does this have on life? Does anyone live there and why? You can present your research how you would like to.</p> 	<p>R.E.-HINDUISM</p> <p>Find a Diwali recipe. Write it out with the correct amount of the ingredients. Try making it if you can. Send in a photo of you making the recipe or ask your family what it tasted like. Would you get through to the next round of Masterchef?</p> 	<p>EXPLORERS</p> <p>Who were some other Polar explorers? Who got there first? Do people explore the North Pole too? Write a report on one of them or create a Powerpoint presentation.</p> 
<p>SCIENCE</p> <p>You MUST have an adult helping you with this activity! What effect does freezing have on liquids? What about boiling? You could create a video to show your results.</p> 	<p>ART</p> <p>Research artists who have used the South Pole as a focus for their work.</p> <p>Create a piece of art work which is entitled 'The South Pole'? It could include any objects or scenery you like and could even be abstract art!</p>	<p>WRITING</p> <p>Write a poem about exploration. Can you include some of these poetic devices similes, metaphors, alliteration, rhyme, rhythm, onomatopoeia, personification, imagery, repetition.</p>
