

Create a map of where in the world there is famine.
Can you see any similarities between the places?

Write a story about someone who is hungry.
Why are they hungry? Is there anything they can do about it?

Research a charity that helps people in times of famine.
Where are they based? How do they raise money?
Which countries do they send help to? What sort of aid do they send?

Make a record of all the electrical appliances in your home. Where are most of them found? What would life be like without them?

Find out about what causes famine. Present your information in a way of your choice.

How can water be dangerous to drink?
Find out about the germs that are sometimes in dirty water. How do countries clean their water to make it OK to drink?
