HI GROWN UPS!

Happy 2025! It's been a busy start to the new year with a new school, several new team members and a blizzard! It's been lovely to see our children back and meet some new faces and we have lots more exciting stuff to come!

We are currently updating Enrolmy with all holiday club sessions for the rest of this academic year to help you plan ahead. We are still confirming dates with a couple of settings but will update you immediately we are able. Please get in touch if you have any questions or requests around holiday provision. We also hope to confirm our HAF spaces for Easter by the end of January.

As always, wraparound care sessions can be booked for the term or even the academic year ahead. If you like to secure your sessions in advance, you can arrange a regular monthly payment plan and we would be very happy to help you if needed. Sessions can of course still be moved or cancelled within the usual notice period.

Please remember that we are registered at all settings for Tax Free Childcare payments which can significantly reduce your costs and are very happy to provide the evidence needed to claim back a proportion of your invoice from Universal Credit or Student Childcare Grants.

Take a look at what's been happening at your setting!

The team had lots of fun with the children who attended our festive fun sessions and all of the children settled back in really well last week, enjoying arts & crafts and playdoh making. We have had a few parents ask if we will be continuing Film Fridays this term and it's a yes from us! Book them in for an end of week treat - an after school film with popcorn and hot chocolate.

We are thrilled to introduce our lovely new playworker, Husna who has joined us at after school club and is extremely popular with the children.

ST MARY'S C OF E PRIMARY

We were very sad to say goodbye to Mrs Naylor at the end of last term but are very pleased to welcome SzeSze to the team as Supervisor. The children have responded really well to the change and have been doing lots of crafting during the first week back. They were thrilled to see a flurry of snow and went out to play in it for a while!

We will be continuing Film Friday on the last Friday of each month, school will send more details and the children are welcome to bring a school friend for free. (1 free session per child). Please contact us for more details, additional children must be registered on Enrolmy.

We will be running Holiday Club during all school holidays at Castlewood Primary and these are available to book now. Do look at upcoming holiday sessions if this is a convenient location for you, all primary aged children are very welcome.

SHOREHAM BEACH PRIMARY

Just.. Wow!!

What a unique setting with the under the sea themed bus for our breakfast and after school clubs. The children are absolutely lovely and it's been a pleasure getting to know them.

Our supervisors at Shoreham are Bhavjot (breakfast club) and Lea (after school) and Keelan joins the team at both ends of the day. He's been enjoying playing sports with some of the children while others have enjoying other activities such as biscuit decorating and modelling. We love the cat and snow volcano pictured below.

We have all sorts of fun planned as the weather warms up, including forest school activities and planting vegetables!
