

## Seashells Class – Home learning for Spring Term 1 – Treasures Beneath the Sea

For home learning this half-term, you can choose any of the activities below to complete. We encourage you to only choose one menu task a week. If you are unable to complete the tasks, it doesn't matter. We will allow time in class to celebrate your achievements each Thursday. Good luck and have fun!

### Geography

#### Underwater excursion!

Take a swim through some of the most beautiful waters from around the world.

Make a list of what you see:

<https://artsandculture.google.com/story/underwater-excursion-underwater-art/AAXhkmEHEOL1rA?hl=en>

### Science

#### Save our oceans!

What can you find out about plastic pollution in our oceans? How is plastic affecting animals and fish? You could create a poster to help people understand what plastic pollution is!

### English

#### What plants grow in the ocean?

Can you find out about what types of plants live in the oceans? Can you find any interesting facts? What is your favourite plant and why?

### PE

#### Squish the fish yoga!

Have a go at doing some relaxing yoga!  
Feel free to video/take some photos...try not to wobble!

### Geography

#### Wonderful world!

Create a world map and label all of the continents and oceans. What can you find out about each continent? What animals live there?

### Art

#### Paper plate jellyfish!

Have a go at crafting your very own jellyfish! You could use this website for inspiration: <https://craftingafunlife.com/how-to-make-a-paper-plate-jellyfish-craft/>
